### Decisions

=====

- **javadoc** is decided as a documentation tool.
- The Coding Standard chosen is Camel Casing and also a document is prepared for our custom standard.

### Actions

=====

- Assign members for research on which **Android framework** will be used.
- Assign members for research on which **SW Architecture** will be used.

Action	Allocated team member(s)	Deadline
Android framework	MR ,RHS, MMM	14/09/2024
SW Architecture	AJH, MSH, MMR	14/09/2024
